FOR IMMEDIATE RELEASE

San Bernardino Freeway (I-10) 55-Hour Weekend Closures Continue

Closures at Atlantic Boulevard Scheduled

ALHAMBRA – The California Department of Transportation (Caltrans) will continue its 55-hour weekend lane closures on the San Bernardino Freeway (I-10) between Atlantic Boulevard and Rosemead Boulevard for bridge rehabilitation work. Along with the closure of I-10 Metro Express Lanes, freeway ramps and local streets will be closed. Closures will include:

Friday, August 17 at 10 p.m. through Monday, August 20 at 5 a.m. for 55 hours

- Westbound I-10 Metro Express Lanes at Atlantic Boulevard
- **Both** directions of Atlantic Boulevard between Hellman Avenue and Glendon Way
- Westbound I-10 Atlantic Boulevard North on-ramp and Atlantic Boulevard South off-ramp
- Eastbound I-10 Atlantic Boulevard South on-ramp and Atlantic Boulevard North off-ramp

Friday night, August 17

- 10 p.m. to 8 a.m. – Up to 3 lanes of westbound I-10 between Garfield Avenue and Atlantic Boulevard

Saturday night, August 18

- 10 p.m. to 8 a.m. – Up to 3 lanes of westbound I-10 between Garfield Avenue and Atlantic Boulevard

Sunday night, August 19

- 10 p.m. to 6 a.m. – Up to 3 lanes of westbound I-10 between Garfield Avenue and Atlantic Boulevard

Although NOT a full freeway closure, **motorists should expect delays and are strongly advised to use alternate routes, avoid the area or use public transit.** Additionally, motorists can check traffic conditions before they leave by calling 511 or visiting the Caltrans Quickmap at quickmap.dot.ca.gov. Once this \$9 million is completed in late 2018, the bridge improvements will reduce time required for maintenance and minimize the need for further lane closures. Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**

BE WORK ZONE ALERT
